Dear Member,

The VCSTA Executive is receiving proposals from members about how to pursue the goals of the Association in the upcoming school year. The Executive will consider proposals in preparing the budget and planning for the year.

It is understood that submitting a proposal also indicates a willingness to see that proposal implemented – while the Executive has money and time to allot to pursuing the goals of the Association, they are not infinite. By submitting this proposal, be aware that you may be approached and/or appointed by the Executive to take some or all responsibility for realizing this proposal.

Please complete the following form in full and return it to the VCSTA Executive.

Any questions can be sent to [vcstaexec@vcsta.com](mailto:vcstaexec@vcsta.com)

Thank you for your interest and involvement in the Vancouver Catholic School Teachers' Association.

Sincerely,  
The VCSTA Executive
